

School Breakfast Program Meal Pattern for Preschoolers

Through September 30, 2021

The School Breakfast Program (SBP) meal pattern for preschoolers is defined by the U.S. Department of Agriculture's (USDA) final rule, *Child and Adult Care Food Program: Meal Pattern Revisions Related to the Healthy, Hunger-Free Kids Act of 2010*. For information on meeting the preschool meal pattern and crediting requirements, review the Connecticut State Department of Education's (CSDE) guide, *Menu Planning Guide for Preschoolers in the National School Lunch Program (NSLP) and School Breakfast Program (SBP)*, and handout, *Resources for the Preschool Meal Patterns*; and visit the CSDE's [Meal Patterns for Preschoolers in School Nutrition Programs](#) webpage.

Food Components ¹	Ages 1-2	Ages 3-4
Milk, fluid ² Age 1: Unflavored whole milk Ages 2-4: Unflavored low-fat (1%) milk or unflavored fat-free milk	4 fluid ounces (fl oz) ($\frac{1}{2}$ cup)	6 fl oz ($\frac{3}{4}$ cup)
Vegetables, fruits, or portions of both ^{3, 4, 5}	$\frac{1}{4}$ cup	$\frac{1}{2}$ cup
Grains ^{6, 7, 8, 9, 10} Whole grain-rich (WGR) or enriched bread	$\frac{1}{2}$ slice ¹⁰	$\frac{1}{2}$ slice ¹⁰
WGR or enriched bread product, e.g., biscuit, roll, or muffin	$\frac{1}{2}$ serving ¹⁰	$\frac{1}{2}$ serving ¹⁰
WGR, enriched, or fortified cooked breakfast cereal ¹¹ , cereal grain ¹² , or pasta	$\frac{1}{4}$ cup	$\frac{1}{4}$ cup
WGR, enriched, or fortified ready-to-eat (RTE) breakfast cereal (dry, cold) ^{11, 13}	$\frac{1}{4}$ cup or $\frac{1}{3}$ ounce	$\frac{1}{3}$ cup or $\frac{1}{2}$ ounce
◀ See below for important menu planning notes ▶		

Menu planning notes for breakfast

- ¹ Breakfast must include the minimum serving of all three components. Use the USDA's *Food Buying Guide for Child Nutrition Programs* (FBG) to determine the amount of purchased food that meets the requirements. For processed foods, review the product's Child Nutrition (CN) label or product formulation statement (PFS). For more information, see the CSDE's handouts, *Child Nutrition (CN) Labeling Program*, *Product Formulation Statements*, *Accepting Processed Product Documentation*, and *Crediting Commercial Meat/Meat Alternate Products in the NSLP and SBP*; and visit the "Crediting Commercial Processed Products" section of the CSDE's [Meal Patterns for Preschoolers in School Nutrition Programs](#) webpage. Foods made on site must have a standardized recipe that documents crediting information. For more information, visit the "Crediting Foods Prepared on Site" section of the CSDE's [Meal Patterns for Preschoolers in School Nutrition Programs](#) webpage.
- ² Flavored milk cannot be served. For more information, visit the "Milk Component for Preschoolers" section of the CSDE's [Meal Patterns for Preschoolers in School Nutrition Programs](#) webpage.
- ³ The vegetables component includes fresh, frozen, canned, and rehydrated dried vegetables. Dried vegetables require a PFS. A serving of cooked vegetables must be drained. Vegetables credit based on volume, except raw leafy greens such as lettuce and spinach credit as half the volume served (e.g., 1 cup credits as $\frac{1}{2}$ cup of vegetables), and tomato paste and puree credit based on the volume as if reconstituted (see the FBG). The USDA's *CACFP Best Practices* recommends that preschool menus include at least one serving per week of each vegetable subgroup (dark green, red/orange, beans and peas (legumes), starchy, and

- other). For more information, see the CSDE's handout, [Vegetable Subgroups in the CACFP](#), and visit the "[Vegetables Component for Preschoolers](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
- 4 Pasteurized full-strength juice credits as the vegetables or fruits component at only one preschool meal or snack per day. Juice includes all fruit and vegetable juice, frozen pops made from 100 percent juice, pureed fruits and vegetables in smoothies, and juice from canned fruit in 100 percent juice. For more information, see the CSDE's handouts, [Crediting Juice for Preschoolers in the NSLP and SBP](#) and [Crediting Smoothies for Preschoolers in the NSLP and SBP](#). The USDA's [CACFP Best Practices](#) recommends serving whole fruits (fresh, frozen, canned, and dried) more often than juice.
 - 5 The fruits component includes fresh fruit, frozen fruit, dried fruit, and canned fruit. Serve canned fruit in juice, water, or light syrup. A serving of canned fruit may include the 100 percent juice in which the fruit is packed, but cannot include water or syrup. Dried fruit credits as twice the volume served, e.g., ¼ cup of raisins credits as ½ cup of the fruits component. The USDA's [CACFP Best Practices](#) recommends serving whole fruits (fresh, frozen, canned, and dried) more often than juice. For more information, visit the "[Fruits Component for Preschoolers](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
 - 6 To credit as the grains component, a creditable grain (whole, enriched, bran, or germ) must be the first ingredient (excluding water), or the greatest ingredient by weight. For information on identifying creditable grains, see the CSDE's handouts, [How to Identify Creditable Grains for Preschoolers in the NSLP and SBP](#), [Crediting Whole Grains in the NSLP and SBP](#), and [Crediting Enriched Grains in the NSLP and SBP](#); and visit the "[Grains Component for Preschoolers](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
 - 7 At least one serving per day must be WGR. The USDA's [CACFP Best Practices](#) recommends at least two servings of WGR grains per day. For the preschool meal patterns only, WGR foods contain at least 50 percent whole grains and the remaining grain ingredients are enriched, bran, or germ. For more information, see the CSDE's handout, [Whole Grain-rich Criteria for Preschoolers in the NSLP and SBP](#), [Crediting Whole Grains in the NSLP and SBP](#) and [Crediting Enriched Grains in the NSLP and SBP](#); and visit the "[Whole Grain-rich Requirement](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
 - 8 Except for sweet crackers (such as graham crackers and animal crackers), grain-based desserts cannot credit. Examples include cookies, piecrusts in sweet pies, doughnuts, cereal bars, granola bars, sweet rolls, pastries, toaster pastries, cake, and brownies. The CSDE recommends not serving sweet crackers more than twice per week between all preschool meals and snacks. For more information, visit the USDA's webpage, [Grain-Based Desserts in the CACFP](#).
 - 9 Meat/meat alternates may substitute for the entire grains component at breakfast up to three times per week. A 1-ounce serving of the meat/meat alternates component substitutes for 1 ounce of the grains component. For more information, visit the USDA's webpage, [Serving Meat and Meat Alternates at Breakfast](#), and the "[Meat/Meat Alternates Component for Preschoolers](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
 - 10 Through September 30, 2021, grains must meet the required weights or volumes in [Grain Servings for Preschoolers in the NSLP and SBP](#), or provide the minimum creditable grains per serving. For more information, see the CSDE's handout, [Calculation Methods for Grain Servings for Preschoolers in the NSLP and SBP](#). Effective October 1, 2021, the required amounts for the grains component change to ounce equivalents. For more information, see the CSDE's handout, [Grain Ounce Equivalents for Preschoolers in the NSLP and SBP](#), and visit the "[Serving Size for Grains](#)" section of the CSDE's Meal Patterns for Preschoolers in School Nutrition Programs webpage.
 - 11 Breakfast cereals cannot contain more than 6 grams of sugars per dry ounce (no more than 21.2 grams of sucrose and other sugars per 100 grams of dry cereal). For more information, see the CSDE's handout, [Crediting Breakfast Cereals for Preschoolers in the NSLP and SBP](#).
 - 12 Examples of cereal grains include amaranth, barley, buckwheat, cornmeal, corn grits, kasha, millet, oats, quinoa, wheat berries, and rolled wheat.
 - 13 Effective October 1, 2021, the required amount for RTE breakfast cereals changes to ounce equivalents. The required volume for ages 1-4 (½ ounce equivalent) is ½ cup of flaked or round cereal, ¾ cup of puffed cereal, and ⅓ cup of granola.

SBP Meal Pattern for Preschoolers

For more information, review the CSDE's *Menu Planning Guide for Preschoolers in the NSLP and SBP* and visit the CSDE's [Meal Patterns for Preschoolers in School Nutrition Programs](#) webpage, or contact the [school nutrition programs staff](#) in the CSDE's Bureau of Health/Nutrition, Family Services and Adult Education, 450 Columbus Boulevard, Suite 504, Hartford, CT 06103-1841.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](#), (AD-3027) found online at: [How to File a Complaint](#), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;
- (2) fax: (202) 690-7442; or
- (3) email: program.intake@usda.gov.

This institution is an equal opportunity provider.

The Connecticut State Department of Education is committed to a policy of equal opportunity/affirmative action for all qualified persons. The Connecticut Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of age, ancestry, color, criminal record (in state employment and licensing), gender identity or expression, genetic information, intellectual disability, learning disability, marital status, mental disability (past or present), national origin, physical disability (including blindness), race, religious creed, retaliation for previously opposed discrimination or coercion, sex (pregnancy or sexual harassment), sexual orientation, veteran status or workplace hazards to reproductive systems, unless there is a bona fide occupational qualification excluding persons in any of the aforementioned protected classes.

Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Levy Gillespie, Equal Employment Opportunity Director/Americans with Disabilities Coordinator (ADA), Connecticut State Department of Education, 450 Columbus Boulevard, Suite 505, Hartford, CT 06103, 860-807-2071, levy.gillespie@ct.gov.
